

# Renovation, Repair, and Painting (RRP) Registration of Certification Application

---

Revised March 1, 2012

**USE THIS APPLICATION ONLY IF YOU ARE CURRENTLY CERTIFIED AS A RENOVATOR OR DUST SAMPLING TECHNICIAN BY EPA OR ANOTHER EPA-AUTHORIZED STATE.**

**Contact us if you resided in Washington State and were certified as a renovator or dust sampling technician prior to March 16, 2011.**

**Application fee is non-refundable. Contact us before submitting the application if you have a question.**

---

Contractors performing renovation, repair, and painting projects that disturb lead-based paint in pre-1978 homes, child care facilities and schools must be certified and follow specific work practices to prevent lead contamination. This affects paid renovators who work in these facilities, including: renovation contractors, maintenance workers in multi-family housing, painters and other specialty trades.

## **Who should use this application?**

Individuals who are currently certified as a Renovator or Dust Sampling Technician by another state, tribe, or EPA program and wish to work in Washington State.

**Follow the steps below for completing the application process.**

### **STEP 1**

Complete the Registration of Certification Application, Renovation, Repair, and Painting (RRP).

### **STEP 2**

Review WAC 365-230 and become familiar with the requirements as they apply to individuals. Copies of the WAC are available on our website ([www.commerce.wa.gov/lead](http://www.commerce.wa.gov/lead)).

### **STEP 3**

Read and sign the Letter of Compliance on the bottom of the application form.

### **STEP 4**

Mail your application packet with the required \$25 fee for each discipline. The application must have an original signature. Copies are not acceptable. Send with check or money order made payable to Commerce to:

Department of Commerce  
Lead-Based Paint Programs  
PO Box 42525
